

Kona Gold Solutions, Inc. Producing All New High-drate CBD Infused Flavored Energy Waters

Rockledge, FL August 15, 2017 (GLOBE NEWSWIRE) -- Kona Gold Solutions, Inc. (OTC Pink: KGKG), a hemp lifestyle brand of exclusivity and status, has announced the company will be producing its all-new CBD Infused Flavored Energy Waters, High-drate, under its premium Kona Gold brand. Production will start within the next three weeks and the company expects their highly anticipated CBD flavored energy waters will be available for purchase by the beginning of the fourth Quarter. The Company will be producing four delicious flavors, Tropical Coconut, Georgia Peach, Kiwi-Strawberry, and Watermelon.

Kona Gold's current distributors have been patiently awaiting the arrival of their CBD energy waters since they announced their new product development back in June.

"We are extremely excited to announce that we have placed our initial order to produce our new High-drate CBD infused flavored energy waters," stated Robert Clark, CEO of Kona Gold Solutions, Inc. "We will be the first company to bring to market a CBD infused water that contains caffeine, which will be available in four amazing flavors. We hope to have the water available for purchase by the 3rd Quarter and at the very latest, beginning of the 4th Quarter. We are thrilled to be expanding our company into vertical markets, creating additional revenue streams. "

Clark continued, "This will be Kona Gold's first major product launch since we introduced our popular hemp infused energy drinks. Our distributors cannot get their hands on our new CBD energy waters fast enough, receiving many requests from current customers. We expect our CBD energy waters to have a huge impact on our revenue stream for the company's growing product line."
