

Kona Gold Solutions, Inc. Becomes Vendor of Elliot's Natural Foods in California

Company is currently in talks with California distributors

Rockledge, FL July 18, 2017 (GLOBE NEWSWIRE) -- Kona Gold Solutions, Inc. (OTC Pink: KGKG), a hemp lifestyle brand of exclusivity and status, has announced the company has become an approved vendor of Elliott's Natural Foods, who received their first order of Kona Gold Hemp Energy Drinks last week. This is Kona Gold's first venture into the California market as the company expands their market presence out west. Elliott's Natural Foods is located in Sacramento, California, where they have been proudly serving that area since 1952.

Kona Gold is currently in talks with vendors in California that would support their strategic expansion out west. The company recently expanded into Colorado, a market they expect to thrive in, where their new outside sales representatives have hit the ground running as of last week.

"We are very excited to be entering the California market and couldn't have found a better partner to carry our hemp infused energy drinks as we have in Sacramento based Elliott's Natural Foods," stated Robert Clark, CEO of Kona Gold Solutions, Inc. "Elliott's has been serving customers since 1952, which shows that in a very competitive market, their formula of personal service, along with great products, has proven successful, and we are grateful to be a part of their product offering."

Clark continued, "We have had customers requesting our hemp energy drinks in California, which in turn has generated requests from several retailers to reach out to us. This has sparked us to enter talks with distributors in the Sacramento area that would supply Elliott's Natural Foods and other potential customers with our great tasting hemp energy drinks."
