

Kona Gold Solutions, Inc. Enters Chicago Market with Hemp Energy Drinks

Company has commitments from several vape stores in the Chicago area

Rockledge, FL July 6, 2017 (GLOBE NEWSWIRE) -- Kona Gold Solutions, Inc. (OTC Pink: KGKG), a hemp lifestyle brand of exclusivity and status, has announced the company is entering the Chicago market with their popular hemp energy drinks. The company is currently working with a distributor that supplies products to over one hundred vape stores in the Chicago and surrounding areas and has secured warehouse space with pallets of product shipping this week. The company has also brought on a seasoned sales representative in the CBD and Vape market who is adding Kona Gold Hemp Energy Drinks to their product offerings.

Kona Gold has recently created a new promotional program, where they will be providing retail locations with Kona Gold branded refrigerators, fully stocked with Kona Gold Hemp Energy Drinks. The company announced earlier this week that they have entered the Colorado market where they will be launching this new promotional program, followed by the launch in Chicago.

“We are starting off our third quarter of the year with a bang,” stated Robert Clark, CEO of Kona Gold Solutions, Inc. “We are shipping out the most product we’ve shipped in a single week and are entering two exciting markets, Colorado, which we announced earlier this week, and now Chicago. The Vape scene is huge in the Chicago area and over the last month, we have visited several of these retail locations getting owners excited about Kona Gold Hemp Energy Drinks and are very close to closing a deal with a local distributor that supplies product to all these locations.”

Clark continued, “Colorado and Chicago are two ideal markets for us to test our new promotional program in, and if all goes as planned, we have several more states that we are going to roll this out to as well. The company is looking to have a very strong third quarter where we are off to an amazing start and we are just getting started!”
