Company in talks to expand to additional Lucky's Market Grocery Stores in Florida

Rockledge, FL July 26, 2017 (GLOBE NEWSWIRE) -- Kona Gold Solutions, Inc. (OTC Pink: KGKG), a hemp lifestyle brand of exclusivity and status, has announced the company's popular hemp energy drinks are now available at the Lucky's Market grocery store in Orlando, Florida. This is the fourth Lucky's Market grocery store that Kona Gold has entered this year, and the company has stated it is working on expanding to several more stores within the very near future. Their hemp energy drinks are currently offered at Lucky's Market in Gainesville, Neptune Beach, West Melbourne, and now Orlando.

Lucky's Market recently announced that they will be opening four new stores in Central Florida, bringing their "organic for the rest of us" motto to Hunter's Creek, Winter Park, Clermont, and the SoDo district south of downtown Orlando.

"As I've stated before, Lucky's Market has been a fantastic company to work with and we continue to be impressed at how welcoming every new store is to us and the opportunity they provide to local companies," stated Robert Clark, CEO of Kona Gold Solutions, Inc. "We feel the Orlando Lucky's Market location will be a home run for use being that it is within a mile of Central Florida's largest university which saw an enrollment of over 64,000 students in 2016. We are extremely excited to have our hemp infused energy drinks at this location and will be participating in their Back to School event on August 6th!"
