

Kona Gold Solutions, Inc. Announces New Corporate Office to Accommodate New Personnel and Product Expansion

Company is hiring full time sales and office staff in the coming months

Rockledge, FL February 1, 2018 (GLOBE NEWSWIRE) -- Kona Gold Solutions, Inc. (OTC Pink: KGKG), a hemp lifestyle brand focused on product development in the functional beverage sector, has announced the Company will be moving their corporate headquarters to Melbourne, Florida. Kona Gold has signed a five-year lease at 746 North Drive, Suite A, Melbourne, FL. The new location will provide the Company with 4,500 square feet of office and warehouse space, which will allow accommodations for personnel growth and product expansion for wholly owned subsidiaries Kona Gold, LLC, HighDrate, LLC, and BitHive Mining, LLC. Construction on office build out will begin once permitting has been obtained and the Company's move in date is slated for June 1, 2018.

"I am excited to announce that the continued growth of our company has caused us to outgrow our current location and we have recently signed a five-year lease on a beautiful building in the heart of Melbourne, Florida," stated Robert Clark, CEO of Kona Gold Solutions, Inc. "Build out of our new state of the art corporate office will start in about a month's time and will include 2,000 square feet of offices, a conference room, lobby, reception area, a breakroom, and server room. The remaining 2,500 square feet will be temperature controlled warehouse space dedicated to product inventory and storage."

Clark continued, "The 2,000 square feet of office space will allow us to hire essential personnel to assist in company growth in 2018. Prior to moving to our new corporate office, the Company will be hiring a full time sales person to focus on sales of Kona Gold and HighDrate products. This space will also include a dedicated server room, built to our specifications, which will house BitHive's mining hardware."
